## Brent Cross Cricklewood Transformation Update

**Half term at Brent Cross Town is full of activities for the whole family to enjoy, read on to find out what's on for the rest of the week**

There is plenty to do to keep the kids entertained with a new programme of events and activities happening in the area until Sunday 30 October. Back by popular demand the team at Brent Cross Town is hosting afternoon screenings at the Visitor Pavilion, while arts and crafts activities and board games are available at Claremont Park Cabin.

Click [here](#) for more information about the kid's activities running for the rest of this week.

### **Calling mums and daughters to Brent Cross Town**

This weekend, we are thrilled to be working with Women in Sport to offer free, fun sporting activities for women and teenage girls as part of their #TimeTogether campaign hosted by our partners Brent Cross Town. These events are suitable for all ability levels, no equipment is required, and free refreshments will be served after each event. All sessions have female instructors, and some have private rooms too.

The programme has been put together following local feedback on what teenage girls said they would enjoy taking part in with their

mum, aunt, grandmother or other mother figure in their life.

### **Claremont Way retailers now complete**

The transformation of Claremont Way, part of the Brent Cross Town development, is now complete with the final retailer, Cricklewood Coffee Roasters throwing open the doors to their roastery. Local resident and founder of Cricklewood Coffee, James Colbourne, started from serving coffee both online too and from a cart in front of Cricklewood Station, to now opening a new roastery with indoor and outdoor seating.

### **Meet the Claremont Way retailers**

### **Only a few more days left to vote for Claremont Park**

Our popular and well-loved Claremont Park, which opened in May this year, has been nominated for the 2022 People's Choice Award.

Claremont Park has been recognised as an important neighbourhood space for the local community to relax and spend time in, a place to be active, to play and socialise, as well as a place to interact with the natural environment.

The voting deadline is 1 November 2022.
