Pupils explore Brent Cross West

Last month, Brent Cross West welcomed Year 1 pupils from Claremont Primary School who wanted to explore and learn more about their local train station. For some of the curious 26 children, it was their first time ever visiting a train station and being on a station platform. The pupils were shown around the huge new station by friendly Thameslink staff and even got the chance to make station announcements. This visit formed an important part of the children's learning about transport.
