Brent Cross Town's 2025 Community Fund now open!

The [Brent Cross Town Community Fund](#) has opened for applications, and this year, the Fund is supporting projects that focus on education, employment and training in Barnet.

Teaming up with Brent Cross Town's official heat network and Main Energy Centre provider, [Vattenfall](#), this year, we are offering a total of £50,000 in grants. Individual grants are being made available between £3,000 and £10,000 for projects based in Barnet which can support the local community with accessing projects that focus on education, skills, employment and training.

Similar to last year, there will be a judging panel with local partners and community leaders to select a shortlist of projects. Residents will then be invited in November to vote for all the Fund recipients from the shortlist via an online poll. Find out more details on the Community Fund and [how to apply here](#).

The Play Offs at Brent Cross Town

Last weekend, Brent Cross Town hosted the UK's first ever free competitive socialising event which featured an exciting mix of challenges, including climbing walls, high ropes, baseball, bungee runs, and more! Chase Tag professionals also put on a great

performance, with the 'International Chase Off' taking place on Saturday. Thank you to the 1,660 people who attended the events across both days, and a huge well done to the 17 teams that participated in the challenges. Keep an eye out on X (@transformingBX) for the winners announcement!

Construction milestone for future office and university campus

Last week, our contractors BAM brought together colleagues from Barnet Council, Related Argent, Sheffield Hallam University and teams involved in the construction of our first office building at Brent Cross Town to celebrate the 'topping out' milestone for when the structural frame is complete. When 3 Copper Square is finished next year, it will be home to Sheffield Hallam University's London campus as well as the commercial heart of our development. This milestone follows the recent launch of Brent Cross Town's first student accommodation by Fusion, which welcomed its first residents to the area last week.

Join the community river clean up

Want to help look after your local area and protect wildlife? Join Our Yard at Clitterhouse Farm's community river clean up day on Sunday 28 September from 1.30pm to 4pm. Together with the Our Yard team and other residents, you'll be cleaning and removing unwanted items out of Clitterhouse Brook (located at the bottom of Clitterhouse Playing Fields). Wellies and gloves will be provided. Everyone is welcome and there'll be a panel talk at Clitterhouse Farm with tea and cake afterwards.

Waste Transfer Station at Geron Way

Do you live or work close to Geron Way/A5 Edgware Road, NW2? If so, we invite you to our resident drop-in session where you will have the opportunity to ask any questions you may have about the future Waste Transfer Station which is due to start construction this month. The session is taking place tomorrow at Little Fellows Day Nursery, Unit 5 Sanderson Building, NW2 6GR from 6.15pm to 7.30pm. If you are unable to attend, you can email your questions to the team at transformingbx@barnet.gov.uk

Drop-in to see us

We host community drop-in sessions at the Brent Cross Town Visitor Pavilion on the third Thursday of every month. We invite you to talk to us about any concerns or feedback you may have or ask your questions about the development. Our next drop-in session is Thursday 18 September from 5.30pm to 6.30pm. If you can't attend, welcome hosts are available everyday from 10am to 6pm. You can also email us at TransformingBX@barnet.gov.uk

Update on the experimental CPZ

Over the summer, our parking team has been engaging with residents, schools, doctors' surgery and businesses to address concerns and queries before our target go-live date of September. To ensure there's sufficient time to address queries and align with the Council's new permit system, the proposed implementation of an experimental Controlled Parking Zone (CPZ) in your area has now been rescheduled to early December. We will write to you again with more details and next steps ahead of implementation.
