Take a look at how our 2025 looked, and find out what's in store for next year!

From welcoming our first residents to 1,000 people now calling Brent Cross Town home, 2025 has been a milestone year for the Brent Cross regeneration programme.

Our teams have been busier than ever delivering much-needed infrastructure, new homes and community facilities, highways improvements, free activities and events, plus more. Read on to discover how our 2025 shaped [here](#).

Christmas opening hours

Brent Cross Town's Visitor Pavilion will be closed from 5pm on Wednesday 24 December and will re-open with normal hours on Saturday 3rd January.

The 24-hour security hotline will remain open for the duration of the Christmas period. You can contact the security team on

07826327915. If your query is not urgent, you can email transformingbx@barnet.gov.uk

Help clean Clitterhouse Brook

If one of your New Year's resolutions is to give something back in 2026, why not join volunteers Our Yard at Clitterhouse Farm volunteers to help look after Clitterhouse Brook. The river clean-up will take place between 11.30am and 3pm, and is part of Our Yard's programme of year-round events to support the local area. The meeting point is at the café in Our Yard at Clitterhouse Farm, where gloves and materials will be provided. No booking is required.

Brent Cross Town's Book Club

To celebrate 2026 being the National Year of Reading, Brent Cross Town is a Book Club at local cafe, Spruce & Larch. The first club takes place on Saturday 31 January at 11am and will be hosted by famous writer, Collette Lyons, who is one-half of author duo, 'Ellery Lloyd'. Join the club to find some great reads, take part in discussions and become part of a community. Register now and get your first Book Club book for free! Everyone is welcome to join.

Have your say on the CPZ

Monday 15 December marked the first day of the area-wide experimental Controlled Parking Zone (CPZ) implementation. As part of the wider Brent Cross Cricklewood regeneration programme and to address parking issues in the area, the controls are being introduced on an experimental basis and will be in operation between 9am to 6pm from Monday to Sunday. During the first six months, Barnet Council will undertake a statutory consultation where officers will consider comments received and assess the effectiveness of the parking controls.
