Brent Cross Town Community Fund winners announced

We are delighted to announce the six Brent Cross Town 2025 Community Fund project winners selected by a community public vote.

Barnet Council and Related Argent teamed up with Brent Cross Town's official heat network provider, Vattenfall to offer a total of £50,000 in individual grants to projects within Barnet. The Fund supports local charities and organisations that help connect people in Barnet with employment, education, training and skills opportunities. The winners showcase an impressive diversity of industries, from horticulture and creative arts to science, technology, and construction, reflecting how investing in employment and skills not only bridges the local skills gap but also creates opportunities and boosts the aspirations of our community.

Find who the winners are and how they plan to use their funding [here](#).

Barnet Council's repair cafe returns

Following the success of the repair cafés held at Brent Cross Town last year, Barnet Council is hosting it's first repair cafe of the year on Sunday 22 February. Whether it's a broken electrical appliance or wobbly bike, or torn jumper, do your bit to reduce waste and bring us one step closer to our net zero goals. The repair café will be hosted at Brent Cross Town's The WorkShop, Claremont Way, NW2 1FE, from 11am to 3pm. You must book your repair slot in advance to avoid disappointment.

Special offer on Yoga classes

Brent Cross Town currently hosts weekly yoga sessions at the Visitor Pavilion. During February, tickets are £10 per class and are open to all adults over the age of 18. Classes are led by instructor Nadya from N'Dazzle and the yoga stretches are designed to reduce stress and loosen tight muscles. Classes take place on Mondays and Thursdays between 6.30pm to 7.45pm. On Saturdays, the class runs from 8.30am to 9.45am.

Have you seen our improved roads?

Our teams have been busy over the last few months delivering essential highway works as part of the Brent Cross Cricklewood programme. These works allow us to build Brent Cross Town and make improvements to the existing area. Works have also been designed to improve traffic flow while making it easier and safer for pedestrians to get around. From wider junctions, to better street lighting, new traffic lights and pedestrian crossings, our works are improving the experience and safety for all road users.

Drop-in to see us

We host community drop-in sessions at the Brent Cross Town Visitor Pavilion on the third Thursday of every month. We invite you to talk to us about any concerns or feedback you may have or ask your questions about the development. Our next drop-in session is Thursday 19 February from 5.30pm to 6.30pm. This will be the final drop-in of the year, and we will resume back on Thursday 15 January. You can email us at TransformingBX@barnet.gov.uk

Employment and skills opportunities

Brent Cross Town is planning this year's future work experience placements for year 10 and year 12 students from across St Mary's School, St John's School, Hendon School and Clarion School. If you or someone you know would be interested in applying, please reach out via email at Jobs@brentcrosstown.co.uk

Have your say on the CPZ

The wider Brent Cross Cricklewood Controlled Parking Zone (CPZ) has been operational since Monday 15 December 2025. This means that the official consultation is also live, and you can now have your say on how you are finding the controls. We welcome all types of feedback which will help the parking team consider and review when the consultation closes in June. To have your say, please write to us via email at transformingbx@barnet.gov.uk

Help us keep the area clean and safe

**Help Keep Our
Area Safe.**

Report It.

We want to make our local area safer, but we need your help. If you see any anti-social behaviour that is not an-emergency, call 101 or report online [here](#). If it is an emergency, call 999. To keep our local area cleaner, if you see any fly-tipping, please report it [here](#).

If you're be interested in joining a walkround with community safety teams one evening in March, please let us know by emailing transformingbx@barnet.gov.uk
